The Buffalo Philharmonic Orchestra Volunteer Foundation and the Buffalo Chamber Music Society have again combined their application and audition process for their independent 2008 scholarships. The Volunteer Foundation “ Young Musicians” \$3000, \$2000 and \$1000 scholarships, and the Chamber Music Society’s “Silverman” \$1000 scholarships (up to three this year) are available for Erie and Niagara County high school seniors planning to major in music at any college or university in the fall of 2008.

Applications for this year, including audition tapes, must be postmarked by Feb.9, 2008.

Application forms may be obtained online at www.bpo.org, www.ecmea.org or www.ncmea.com. For questions please call the Volunteer Foundation at 885-0204.

The Buffalo Chamber Music Society shares scholarship application/auditions with the Volunteer Foundation hence the single application applies for both.
